## Products Available (New Pricelist Feb 2011)

### **Natural Church Development** by Christian Schwarz

**Price: R220**

In an attempt to put denominational and cultural differences aside, the author has researched 1000 churches in 32 countries to determine the quality characteristics that growing, healthy churches share. Schwarz's research indicates that quality churches score high in eight quality characteristics, but will only grow to the level that their Minimum Factor (or lowest of these eight characteristics) will allow them.

### **The 3 Colors of Love** by Christian A. Schwarz

**Price: R140**

Would you like to reflect God's abundant love more fully in all of your relationships?

The 3 Colors of Love focuses on the three fundamental dimensions of God's love that every believer can reflect in his or her life: justice, truth and grace. Depending on your starting point, your personal growth path may be very different to someone else's. The 3 Colors of Love offers practical tools to help you identify your starting point and experience the revolutionary power of God's unconventional love in your life.

### **The 3 Colors of Your Spirituality** by Christian A. Schwarz

**New**

**Price: R140**

This book portrays nine spiritual styles and helps every believer identify which one is the most natural way for them to connect with God: the sensory, rational, doctrinal, scripture-driven, sharing, ascetic, mystical, enthusiastic or sacramental style. Based on this fundamental discovery, the book outlines a growth path resulting in passion, balance and maturity.

### **The 3 Colors of Ministry** by Christian A Schwarz

**Price: R140**

The 3 colors of Ministry present a holistic approach to identifying and developing your spiritual gifts. It is based on the three dimensions in God's nature, for which the author has chosen the colors green, red and blue. In addition to emphasizing the critical importance of using your gifts in an authentically Trinitarian way, this book shows you where you most need to focus your energies in order to bring this kind of balance to your Christian service. The natural result will be increased effectiveness.

### **The 3 Colors of Ministry – The 'How To' Series** by Christoph Schalk & Jon Haley

**Price: R140  
For package**

This is a set in four parts. Firstly the book 'How To Implement the 3 Colors of Ministry in your church' which is the pastor's guide for 'gift-oriented' ministry. It contains many worksheets, checklists and implementation ideas. Second in the set, is the book 'How To Use the 3 Colors of Ministry in a mentoring relationship'. This book assists 'gift-counselors' and others who want to guide fellow believers in relating their gifts to specific tasks within the church. The mentors guide offers you all the tools you need to establish a multiplying network of gift-counselors in your church. It covers – amongst others – the five essential phases of gift counseling etc. Then there is the book 'How to Study the 3 Colors of Ministry in Your Small Group'. It helps the small group

leader to guide the members to discovering their spiritual gifts. It shows how to establish the three pillars of a '3-Color Group'. It provides suggestions for 1,3,6 or 12 sessions. Its concepts can be related to virtually any form of small groups. Lastly, there is the How To... The CD-Rom which includes all the diagrams and cartoons (illustrations) of The 3 Colors of Ministry for use in teaching, as well as software to help you analyze the composite Change Compass and the Three-Color Gift Test results of your church.

### **NCD Survey**

*by Christian Schwarz and Christoph Schalk*

**Price: R2300**

We provide questionnaires for the pastors and for at least thirty actively involved lay people in your church. The completed questionnaires are returned to the NCD consultant for processing. The church receives back a report identifying their Minimum Factor.

### **Profile Plus**

Provides a **comprehensive picture** of all quality characteristics by breaking each one down in **all pertinent survey questions** and showing the quality attributed to each of those questions.

### Benefits

- Helps identify key obstacles to greater health of your Minimum Factor
- Highlights strengths and weaknesses across the Quality Characteristics
- Generates momentum for working through the NCD Quality Growth Cycle process
- Helps identify long term, deeply rooted issues
- Shows health trends (after several Surveys)
- Facilitates development of concrete action points
- Increases congregational participation in addressing key issues
- Helps you embrace NCD as a long term process of continuous improvement

### **NCD Insights**

**Price: R600**

Provides a picture of all quality characteristics by breaking each one down into **four categories** and showing the quality attributed to each of those categories. When used in conjunction with the **CoachNet Evaluation questions** this process will help the church health team **discover root causes** contributing to the minimum factor in the church. Each category represents a number of survey questions that have been grouped together and identified on the basis of statistical research and avoids focusing on any individual question to find a solution to the minimum factor.
